

For SOC Friends

I have been in touch with a tour company in Prague. They are very reputable. Please check the trips that you would be interested in taking and prioritize as well. The prices are not the ones seen via the links below but are included next to the title of each tour. I was thinking one or two tours for us. You might have additional suggestions. Once I have your choices I will find out the availability of the tour guides.

priority 1-7 _____
